All young people registered for the conference will need to have an adequate number of adults who volunteer to serve as shepherds and chaperones for the duration of the conference. The conference requires each registering church to arrange for a minimum ratio of 4 young people (7th-12th grade) to 1 serving adult. Parents are encouraged to serve.

Note: 6th grade students who would like to attend the conference are required to have a parent or guardian as a registered conference attendee, serving as a shepherd and chaperone for the whole conference.
